Re: Ex Parte Notification
CS Docket Nos. 98-120 and 00-96
MB Docket No. 03-15
MM Docket No. 99-360
MB Docket No. 04-233

Dear Ms. Dortch:

On December 7, 2004, Robert Decherd, President and Chief Executive Officer of Belo Corp. ("Belo"), Guy Kerr, Senior Vice President of Belo, Dunia Shive, Executive Vice President of Belo, and DeDe Lea, Vice President of Belo, met with Commissioner Kevin Martin. The Belo representatives were accompanied by Richard Wiley, counsel for Belo.

In the meeting, Belo discussed its support for a date certain to end the DTV transition, but emphasized that the government should not set an end-date without first establishing cable carriage requirements and finalizing a plan to ensure that over-the-air viewers are not abandoned. Belo also discussed broadcasters' public interest responsibilities and their commitment to meeting the needs of their stations' local communities. In this regard, Belo cautioned the Commission to be mindful and flexible when applying new regulations because digital broadcasting is still relatively new and the broadcast industry needs the ability to develop business models that will work in this new era without being encumbered by unnecessary regulations.

Pursuant to Section 1.1206(b) of the Commission's rules, an original and nine copies (two copies for each docket) of this letter are being submitted to the Secretary's office, with a copy to Commissioner Martin.
